See why hundreds of startups and entrepreneurs love QuickFunds

"I can send personalized emails at scale, and the system keeps track of everything. We raised more in 3 months than we ever thought possible!"
Joe Waller
Business Development Manager
@Party.space

"Their database is massive, and we had meetings lined up within days thanks to the outreach & crm tools."
Jenny Lee
Head of product @Spiderville

"The data room tracking has been a lifesaver—knowing when investors engage with our materials gives us info we didn't have before. Highly recommend."
Cho Lee
CFO @DFI Protocol

"Being able to send personalised outreach at scale and track every interaction is priceless. Our investor response rate improved dramatically since trying QuickFunds"
Alex Wright
CFO @Process Motion

"It's super easy to learn how to use it. They also have a simple and user-friendly interface."
Clark Miret
Head of Sales @Valhalla Labs

"QuickFunds made fundraising so much simpler. It's a game-changer for any startup looking to raise capital fast"
Bohdan
CMO @365 Marketing

Frequently Asked Questions

Why should I use QuickFunds instead of my own spreadsheet?
While spreadsheets are easy to start with, they get cluttered quickly once you're juggling dozens of investor conversations, which you will likely need. Important tasks slip through the cracks, and it's easy to lose track of your progress. QuickFunds provides a purpose-built platform that organizes your outreach, tracks responses, and automates follow-ups, ensuring you stay on top of your fundraising without getting lost in the process.

Is QuickFunds suitable for startups at all stages of fundraising?

What results can I expect from using QuickFunds?

What is an Intelligent DataRoom, and why do I need it?

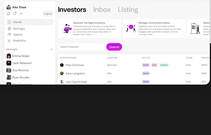

Can I customise my outreach with QuickFunds?

How can I cancel my plan?
